Utah Assistive Technology Program on Pinterest

UATP’s Pinterest (<http://www.pinterest.com/utahatprogram>) has various assistive technology products and resources compiled in various boards including a board for [aging](#). These do not equate to product/service endorsements, but serve as a resource. To learn more about Pinterest, visit <http://about.pinterest.com>.

Utah Centers for Independent Living

Compiled by the Utah Assistive Technology Program

The purpose of Utah's independent living centers is to assist persons with disabilities in achieving greater independence by providing services, assistive technology loans and consultations, and activities which enhance independent living skills and promote public understanding, accommodation and acceptance of their rights, needs and abilities. Services include: assistive technology, accessible modifications for homes, and training.
